

Emily Kondziola

Front-End Developer

EXPERIENCE

Equilo, Inc. — Research Analyst

June 2017 - Nov. 2019

Remote

Equilo is a tech startup creating A.I. powered gender analyses used in global development projects. Some of my notable responsibilities included:

- Leading exhaustive research into country organizations working in gender equality
- Writing content analysis on gender equality in large scale water infrastructure
- Organizing, maintaining, and growing Equilo's open source data library

EDUCATION

Bethel College - North Newton, KS

B.A.

Communication Arts

Peace & Conflict Studies

AWARDS

URICA Research Grant Recipient

\$1,000 research grant
